

Community Clothing Swap

Saturday, October 1st 11:00-1:00pm

Kid's grow fast & buying them new clothes for every growth spurt can be expensive! To help out, the library is participating in The Great Give Back by hosting our 2nd Community Clothing Swap.

We invite you to bring children's clothes of all sizes to the library beginning September 6th. We'll collect clean clothing (including shoes & Halloween costumes) in good condition through September 30th. Bring any donations to the children's room at the library. We will organize clothing by size & all are invited to come "shop" beginning at 11am on October 1st.

Please bring a re-usable bag(s) to fill with new-to-you kids' clothes to help us keep this event as sustainable as possible. You do not need to donate clothes to pick up new clothes.
